DEGREE AWARDS

No	Name	Dept./Institute	Degree	Title of Dissertation/Thesis	Supervisor(s)
1.	MAUYA, Pill Idd	Agric. Extension and Community Development	MSc. (Agric. Education & Extension)	Assessment of the factors influencing sustainability of improved Pineapple production technologies in Geita District, Tanzania	Prof. Z.S.K. Mvena
2.	MULASHANI , Nanciety Michael (F)	Agric. Economics & Agribusiness	MSc. (Agric. Economics)	Income effect of Agricultural intensification on smallholder cotton farmer's in Misungwi District	Dr. A. Akyoo
3.	MSUMI Stephano	Ecosystems and Conservation	MSc. (ECoSM)	Abundance and Distribution of invasive plant species Opuntia Vulgaris (Mill) in Serengeti National Park, Tanzania	Prof. P. K. T. Munishi
4.	KAMWENDO , Gladson Chikaiko	Vet. Medicine & Public Health	MSc. (Epidemiology)	Assessment of the Epidemiological status, Seroprevalence and Molecular detection of *peste des petits ruminants* in goats and sheep along Tanzania – Malawi boarder	Prof. S.I. Kimera and Prof. G. Misinzo
5.	MBILINYI, Gaston Thom	Ecosystems and Conservation	MSc. (Forestry)	Contribution of indigenous knowledge to the Conservation of Wildlife Medicinal plants in Mvomero District, Tanzania	Dr. S. Augustino
6.	KOMBA, Emmanuel	Forest and Environmental Economics	MSc. (ENAREC)	Socio-economic effects of Pangani river Basin on Community's Livelihoods in Korogwe town Council, Tanga region	Dr. L.P. Lusambo
7.	RICHARD, John	Ecosystems and Conservation	PhD	The effects of logging and invasion of Acacia mearnsii on regeneration of ocotea usambarensis in Chome	Prof. S.M.S. Maliondo

				Nature Reserve, Tanzania	
8.	KYELU Anitha (F)	Forest and Environmental Economics	MSc. (ENAREC)	Analysis of Socio- Economic and Environmental effects of Urban Fish farming in Dar es Salaam, Tanzania	Dr. L. P. Lusambo
9.	SALUM Ali Kassim	Agric. Extension and Community Development	MSc.(Agric. Education and Extension)	Factors influencing adaptation of improved cassava varieties in increasing farm yield.A Case of Magharibi District, Zanzibar, Tanzania	Prof. J. Lyimo-Macha
10.	SWAI Everlyn	Forest and Environmental Economics	MSc. (ENAREC)	Willingness to pay for watershed services by downstream water users in Babati District, Tanzania	Prof. J. F. Kessy
11.	HAMISI, Issa	Ecosystems and Conservation	MSc. (Ecosystems Science & Management)	Diversity, status and threats to Stingless bees (Apidae: Meliponini) of Ipembampazi Forest Reserve, Tabora-Tanzania	Prof. R.P.C. Temu
12.	ZELLA, Adili Yohana	Forest and Environmental Economics	MSc. (ENAREC)	Impacts of Socio – Economic activities in managing Selous – Niassa wildlife corridor	Dr. F. Mombo
13.	MOYO, Asia Hassan (F)	Forest and Environmental Economics	MSc. (ENAREC)	Economics contribution of Pawaga – Idodi and Ngarambe: Tapika wildlife Management areas to local communities Livelihood	Prof. Y.M. Ngaga
14.	YONAH Isack	Engineering Sciences and Technology	MSc. (Land Use Planning and Management)	Evaluation of Remote sensing vegetation indices for Monitoring Maize Crop conditions and yields in Tanzania	Prof. B. P. Mbilinyi and Prof. S. D. Tumbo
15.	OMARY, Jamila (F)	Food Technology, Nutrition and Consumer Sciences	MSc. (Food Quality & Safety Assuarance)	Effect of Sunlight exposure and commonly used Plastic packages on shelf stability of locally produced sunflower oil in Dodoma, Tanzania	Prof. H. Laswai
16.	LYIMO, Paulo John	Ecosystems and Conservation	MSc. (Ecosystems Science & Management)	Pest status of Leucaena psyllid, *Heteropsylla cubana* Crawford (Homoptera: Psyllidae) and Biological control agents in Eastern Tanzania	Prof. M.W. Mwatawala
17.	YASINI Amina(F)	Food, Nutrition and Consumer Sciences	MSc. (Food Quality and Safety Assurance)	Safety, Quality and Shelf life of Banana Juice Extracted by Traditional method	Prof. B. P. M. Tiisekwa
18.	NKONDOLA Thomas	Food, Nutrition and Consumer	MSc. (Food Quality and Safety	Evaluation of Safety and Quality of the Lake Victoria	Prof. H. S. Laswai

		Sciences	Assurance)	Sardines along the Value Chain	
19.	BULENGA, George Bunyata	Ecosystems and Conservation	MSc. (Ecosystems Science & Management)	Relationship between Soil properties and Tree species diversity in selected Miombo Woodland Ecosystems, Tanzania	Prof. S.M.S. Maliondo and Dr. Gert Nyberg
20.	STANLEY Nawabu	Forest and Environmental Economics	MSc. (ENAREC)	Economic welfare analysis on Tourism Revenue Distribution in Serengeti District, Tanzania	Prof. J. M. Abdallah
21.	MUSHI, Cuthbert William	Agric. Economics and Agribusiness	MSc. (Agric. & Applied Economics)	Cost efficiency of Small scale sunflower processors in Dodoma region in Tanzania	Dr. A. Akyoo
22.	MASETA Elina Jacob (F)	Food , Nutrition and Consumer Sciences	PhD	Efficacy of quality protein maize- based supplementary foods on rehabilitating undernourished children in Mvomero District, Tanzania	Prof. C. N. Nyaruhucha , Prof. H. S. Laswai and Prof. T. C. E. Mosha
23.	NZALAWAHE, Jahashi	Vet. Microbiology, Parasitology & Immunology	PhD	Epidemiology and control of Trematode infections in cattle in Arumeru and Iringa Rural Districts, Tanzania	Prof. A.A. Kassuku and Prof. M.C. Eisler
24.	MTENGA Damian	Crop Science and Horticulture	PhD	Diversity , combining ability and Coffee berry Disease (Colletotrichum Kahawae) resistance among Ethiopian and Tanzanian Arabica Coffee Genotypes	Prof. S. O. W. Reuben and Prof. P. M. Kusolwa
25.	MADUKA Stephen Manoni	Ecosystems and Conservation	PhD	Propagation and initial field establishment of elgon olive (Olea welwitschii (KNOBL.)Gilg and Schellenb	Prof. S. A. Chamshama and Prof. T. J. Msogoya
26.	MBEGALLO Franco John	Agric. Economics and Agribusiness	MSc. (Agric. & Applied Economics)	Status, Determinants and effects of Agriculture commercialization among smallholder farmers in Tanzania	Dr. B. Waized
27.	NYAMWANJI Grace Mkunda (F)	Agric. Extension and Community Development	MSc. (Agric. Education and Extension)	Intra- Household gender relations and Househol food Security in Tanzania : A case of Chamwino District, Dodoma Region	Prof. D. L. Mwaseba
28.	GERALD Alex	Agricultural Economics and Agribusiness	MSc. (Agricultural Economics)	Role of warehouse receipt system on marketing efficiency and productivity of smallholder Sesame farmers in Kilwa District	Prof. D. M. Gabagambi
29.	LUVANDA, Flora	Food Technology,	MSc. (Food Quality & Safety Assurance)	Evaluation of Antimicrobial and Antioxidant properties of	Prof. M.E. Lyimo

	Thomas (F)	Nutrition and Consumer Sciences		Tanzania honey from two Agro-Ecological Zones	& Dr. L.M. Chove
30.	KILAWE, Charles	Ecosystems and Conservation	PhD	Intensification of shifting cultivation in Tanzania: Degree, drivers and effects on Vegetation and soils	Prof. S.M.S. Maliondo, Prof. D.S. Silayo, Prof. T. Birch – Thomsen and Prof. Ole Mertz
31.	KIYYO, Jacob	Crop Science and Horticulture	MSc. (Crop Science)	Developing maize hybrids resistant to maize lethal necrosis disease from diversity maize inbred lines in Tanzania	Prof. P.S. Kusolwa
32.	LEMA, Felix	Forest and Environmental Economics	MSc. (ENAREC)	Contribution of consumptive utilization of wildlife resources to local communities livelihoods around Ibanda game Reserve	Prof. J.M. Abdallah
33.	KAISHWA, Scholastica John (F)	Soil and Geological Sciences	MSc. (Soil and Land Management)	Assessment of Uranium levels in water and soils and its uptake by Sorghum and Sunflower in Singida Urban District, Tanzania	Prof. J.J. Msaky and Prof. E.M. Marwa
34.	MAGINGA, Majaliwa Laban	Forest and Environmental Economics	MSc. (ENAREC)	Economic efficiency of selected income generating activities in villages surrounding Magamba Nature Reserve in Lushoto District, Tanga Region	Dr. L.P. Lusambo
35.	SANGA, Dafroza (F)	Forest and Environmental Economics	MSc. (ENAREC)	Value chain and Rural Livelihoods: Analysis of *Acacia mearnsii* (Black watter) activities in Njombe and Lushoto Districts	Prof. J.M. Abdallah
36.	OLENGEILE, Jeniva (F)	Forest and Environmental Economics	MSc. (ENAREC)	The economics of paper use and its implications to the environment: A case study of Sokoine University of Agriculture, Tanzania	Prof. J.F. Kessy and Prof. D.A. Silayo
37.	ISDORI Saraphna	Forest and Environmental Economics	MSc. (ENAREC)	Land Use conflicts between local communities and Management of Mkungunero game reserve, Simanjiro Tanzania	Prof. J. Kideghesho and Dr. F. Mombo
38.	MOLLEL, Eunice Lembrice (F)	Forest and Environmental Economics	MSc. (ENAREC)	Economic analysis of solid waste Management options in Morogoro Municipality, Tanzania	Prof. J.F. Kessy
39.	LIDUKE Patric Lusungu	Soil and Geological Sciences	MSc. (Soil Science and Land Management)	Assessment of the Nitrogen and phosphorous needs and use effincies for enhances maize yields in Mbozi District,	Prof. J. P. Mrema and Dr. C. Z. Mkangwa

				Tanzania	
40.	PHILEMON Ruth Charles	Forest and Environmental Economics	MSc. (ENAREC)	Economic efficiency of selected income generating activities in Burunge Wildlife Management area in Manyara Tanzania	Prof. J. Kessy
41.	MREMA Reward	Food Technology, Nutrition and Consumer Sciences	MSc. (Food Quality and Safety Assurance)	Quantitative and Qualitative rice post harvest losses: A Case study of Kilombero District	Prof.l B. Chove and Prof. B. Ndabikunze
42.	SABUNI, Christopher	Wildlife Management	PhD	Population Ecology of *Beamys hindei* and *Rhynchocyon petersi* in selected coastal forests of Tanzania	Prof. S.L.S. Maganga, Prof. R.H. Makundi and Prof. H. Leirs
43.	NGARAMA warda N	Forest and Environmental Economics	MSc. (ENAREC)	Sawn wood production at SAO hill forest plantation in Iringa region: Life Cycle analysis from Nursery to Sawnwood processing	Prof. J. M. Abdallah and Prof. Y. Ngaga

30th January, 2017
