- (iii) Science and Innovations for Livestock Development.***

**CALL FOR ABSTRACTS AND PAPERS:**

High quality scientific papers or papers based on field experiences related to the above theme and sub themes are invited for presentation at the Conference. Selection of papers will entirely depend on their quality. Two types of papers are invited; viz, oral or poster presentation. Authors are required to indicate their preference. However, depending on the quality of the paper, the authors may be advised by the Secretariat to change from poster to oral presentation and vice versa.

2. The abstract should not exceed 250 words. It should include a title of up to 120 characters (including spaces), the authors' full names and affiliations, and the text body. The abstract text body should include a brief background and aim or hypothesis or statement of the problem addressed, materials and methods, main results, and major conclusion(s) drawn. It should be one paragraph, double-spaced and 12-font size of Times New Romans in UK English. It should be in Microsoft Word format.

3. For poster presentation, poster boards should be 1.5 m wide and 1.2 m high.

4. The full papers that are to appear in the Conference Proceedings should not exceed 2000 words excluding figures, tables and references. They should be prepared according to the format that will be communicated by the secretariat.

5. Abstracts should reach the secretariat latest 31<sup>st</sup> August 2010.

6. Full papers should reach the secretariat by 31<sup>st</sup> October 2010.

Submit your abstracts and full papers **in electronic form** to the Secretariat via the addresses underneath. Please copy messages to all the e-mails.
